### A WORD FROM YOUR STUDENT ASSOCIATION

## Welcome to Your Plan!

To help students pay for the health services they need, a collective health and dental plan has been put in place by your student society. This group Plan is unique in that it helps fill the gaps in provincial health care, while offering coverage that is often **2-3 times less expensive than other plans**. The coverage includes health, dental, vision, and travel benefits. It covers the unexpected and provides you with preventive care services to keep you in good health.

Since its inception, the Plan has saved its members millions of dollars and has helped thousands of students.

As a full-time student in September at the Alberta College of Art & Design and as an ACADSA member, you're automatically covered by the ACADSA Health & Dental Plan.

To minimize paper use and its impact on the environment, this document provides a basic outline of the coverage available to you through your student Plan. A complete list of benefits and details is available at [www.ihaveaplan.ca](http://www.ihaveaplan.ca).

Best of luck for a safe and healthy year.

► **Already Covered by Another Plan? Weigh the Costs and Benefits**

Your student Health & Dental Plan may provide better value:

▪ Being enrolled as a dependant in a parent or spouse's employee benefit plan usually requires your family member to pay additional costs to have you covered.

▪ Coverage under most parents' plans ceases once you are no longer a full-time student or when you turn 26.

▪ Most private plans offer limited to no travel coverage. Your student Plan covers you for 120 days per trip and includes coverage for trip cancellation and trip interruption. Similar travel plans can cost over \$500.

▪ Most plans also have limited vision coverage and don't cover vaccinations, which may be mandatory for your academic program.

▪ You may want to check your current coverage. By combining both plans, you can maximize your overall coverage—up to 100%—and eliminate out-of-pocket costs!

The Member Services Centre is there to assist you. Give us a call at 1 866 358-4433 if you would like more information on combining plans.

► **Use Your Pay-Direct Card for Prescription Drugs**
