# PHARMACY NETWORK

## Network Members - Alberta

Your Health Plan will cover 80% of your eligible prescription drug costs (see the Prescription Drugs section for more details) including dispensing fees up to \$5 per prescription.

Some pharmacies charge higher dispensing fees of \$8 - \$15 per prescription, which means additional out-of-pocket costs for you.

By visiting a member of the Pharmacy Network, you will pay nothing for dispensing fees and only 20% of your total prescription drug costs.
