

DENTAL NETWORK

Network Members - British Columbia

The Dental Network is an exclusive service for students covered by the Dental Plan.

Network dentists, conveniently located in your area and other regions of British Columbia, offer a reduction of **20% off** the Dental Fee Guide for General Practitioners' price of eligible dental services.

See the Dental section online for a breakdown of your total coverage when combining your insured portion with the Dental Network reduction.

You are not limited to Network members. You're covered for the insured portion of your Plan regardless of the dentist you choose. By visiting a Network member, you will get additional coverage.

Please note that most Network dentists also offer the Pay Direct service.

VISION NETWORK

Network Members - British Columbia

To offer students even more coverage, a Network of vision care providers has been set up. These professionals have agreed to reduce the cost of their services for Health Plan members, enabling you to increase your vision care coverage. Network savings work in addition to your insured benefits so that you can save even more money.

As part of their commitment to students, Independent Specialists will charge Health Plan members the following:

Eye Exams	Prescription Eyeglasses	Contact Lenses
25% reduction off standard rate, to a maximum of \$60	\$75 off purchases over \$250, 30% off purchases under \$250, or promotional price, whichever is better	Up to 25% discount

The Vision Network includes a list of **Independent Specialists in your area, as well as LASIK MD.**

Please note that you are not limited to Network members. You're covered for the insured portion of your Plan regardless of the vision care provider you choose. By visiting a Network member, you will get additional coverage.
