See the Dental section for a breakdown of your total coverage when combining your insured portion with the Dental Network reduction.

Please note that most Network dentists also offer the Pay Direct service.

VISION NETWORK

To offer students even more coverage, a Network of vision care providers has been set up. These professionals have agreed to reduce the cost of their services for Health Plan members, enabling you to increase your vision care coverage. Network savings work in addition to your insured benefits so that you can save even more money.

As part of their commitment to students, most Independent Specialists will charge Health Plan members the following*:

Eye Exams	Prescription Eyeglasses	Contact Lenses
Maximum of \$50	\$75 off purchases over \$250, 30% off purchases under \$250, or promotional price, whichever is better	Up to 15% discount or promotional price, whichever is better

* Each vision provider may offer different discounts. Please call them directly, or verify the offer by searching for their listing under the Member Services section of www.ihaveaplan.ca.

The Vision Network includes a list of **Independent Specialists in your area, as well as LASIK MD.**
