

# DENTAL NETWORK

## Network Members - Ontario

The Dental Network is an exclusive service for students covered by their student Plan.

Network dentists and hygienists, conveniently located in your area and other regions of Ontario, offer a reduction of **20% to 30% off** the Dental Fee Guide for General Practitioners' price of eligible dental services.

See the Dental section for a breakdown of your total coverage when combining your insured portion with the Dental Network reduction.

You are not limited to Network members. You're covered for the insured portion of your Plan regardless of the dentist or hygienist you choose. By visiting a Network member, you will get additional coverage.

Please note that most Network dentists also offer the Pay Direct service.

# VISION NETWORK

## Network Members - Ontario

To offer students even more coverage, a Network of vision care providers has been set up. These professionals have agreed to reduce the cost of their services for Health Plan members, enabling you to increase your vision care coverage. Network savings work in addition to your insured benefits so that you can save even more money.

The Vision Network includes a list of **Independent Specialists in your area, as well as LASIK MD.**

Please note that you are not limited to Network members. You're covered for the insured portion of your Plan regardless of the vision care provider you choose. By visiting a Network member, you will get additional coverage.
