

# DENTAL NETWORK

## Network Members - Québec

The Dental Network is an exclusive service for students covered by the Dental Plan.

Network dentists, conveniently located in your area and other regions of Québec, offer a reduction of **20% to 30% off** the Dental Fee Guide for General Practitioners' price of eligible dental services.

See the Dental section for a breakdown of your total coverage when combining your insured portion with the Dental Network reduction.

You are not limited to Network members. You're covered for the insured portion of your Plan regardless of the dentist you choose. By visiting a Network member, you will get additional coverage.

Please note that most Network dentists also offer the Pay Direct service.

# VISION NETWORK

## Network Members - Quebec

The ASEQ Vision Network includes the **Montreal Vision Network, LASIK MD, as well as a provincial partner (Greiche & Scaff)**.

Please note that you are not limited to Network members. You're covered for the insured portion of your Plan regardless of the vision care provider you choose. By visiting a Network member, you will get additional coverage.

---

## MONTREAL VISION NETWORK

The Montreal Vision Network includes an exclusive network of independent specialists—optometrists and opticians—who provide Health Plan members with preferred prices on eye exams, prescription eyeglasses, and contact lenses.

### Only \$20 for Eye Exams

Independent specialists who are part of the Montreal Vision Network charge no more than \$50 for eye exams, which is lower than the usual market price. If you combine your insured benefits of \$30 for eye exams with the special Network pricing, your eye exam will cost you no more than \$20. You must show your student ID card. Exams using medicated eye drops or specific exams for contact lenses aren't included.

### At Least \$150 Off Prescription Eyeglasses (Lenses with Frames)

Your Health Plan covers a certain amount of the cost of new or replacement eyeglasses. When visiting an independent specialist who is a member of the Montreal Vision Network, you can take advantage of an additional \$75 off the regular price of prescription eyeglasses (lenses with frames). Refer to the Vision section for more details.

### Pay-Direct System

With the Pay-Direct system, independent specialists who are members of the Montreal Vision Network can process your coverage directly with the insurer. You won't have to pay up front and wait for reimbursement. You'll only have to pay the portion not covered by the insurance and/or Network reduction. The claim form must be completed by the student and by the specialist.

LASIK MD uses the most advanced technology available. The company is the property of and is comprised of some of the most trained and experienced ocular surgeons in Canada. LASIK MD doctors have performed over 450,000 laser vision correction procedures across Canada.

For more information, contact LASIK MD at **1 866 366-2020** or visit **[www.lasikmd.com](http://www.lasikmd.com)**.

\* Please note that this additional \$150 in savings cannot be combined with another offer or promotion at LASIK MD.

## GREICHE & SCAFF

Optometrists at the Greiche & Scaff stores across the province of Quebec offer **15% off the cost of prescription eyeglasses and sunglasses** (with or without a prescription) to students covered by the Health Plan.

For a list of Greiche & Scaff locations, call Greiche & Scaff at **(514) 336-4444** or toll-free at **1 877 667-2020**.

Please note that Greiche & Scaff is not responsible for the direct processing of your claims with the insurance company. After paying for covered services at Greiche & Scaff, you have to submit a claim to obtain the appropriate reimbursement covered by your Plan.

# CHIROPRACTIC NETWORK

## Network Members - Québec

As part of their commitment to students, Network Chiropractors will charge Health Plan members the following:

### First Visit

The chiropractor will offer a reduction, with the amount to be determined at their discretion.

### Following Visits

You'll be charged no more than \$25 per visit from the second visit onwards. The average price for a regular chiropractic visit is \$40.

Please note that you are not limited to Network members. You're covered for the insured portion of your Plan regardless of the health professional you choose. By visiting a Network member, you will get additional coverage.
