

# DENTAL NETWORK

## Network Members - Québec

The Dental Network is an exclusive service for students covered by the Dental Plan.

Network dentists, conveniently located in your area and other regions of Québec, offer a reduction of **20% to 30% off** the Dental Fee Guide for General Practitioners' price of eligible dental services.

See the Dental section for a breakdown of your total coverage when combining your insured portion with the Dental Network reduction.

You are not limited to Network members. You're covered for the insured portion of your Plan regardless of the dentist you choose. By visiting a Network member, you will get additional coverage.

Please note that most Network dentists also offer the Pay Direct service.

# VISION NETWORK

## Network Members - Quebec

The ASEQ Vision Network includes the **Montreal Vision Network, LASIK MD, as well as a provincial partner (Greiche & Scaff)**.

Please note that you are not limited to Network members. You're covered for the insured portion of your Plan regardless of the vision care provider you choose. By visiting a Network member, you will get additional coverage.

---

## MONTREAL VISION NETWORK

The Montreal Vision Network includes an exclusive network of independent specialists—optometrists and opticians—who provide Health Plan members with preferred prices on eye exams, prescription eyeglasses, and contact lenses.

### Only \$20 for Eye Exams

Independent specialists who are part of the Montreal Vision Network charge no more than \$50 for eye exams, which is lower than the usual market price. If you combine your insured benefits of \$30 for eye exams with the special Network pricing, your eye exam will cost you no more than \$20. You must show your student ID card. Exams using medicated eye drops or specific exams for contact lenses aren't included.

### At Least \$150 Off Prescription Eyeglasses (Lenses with Frames)

Your Health Plan covers a certain amount of the cost of new or replacement eyeglasses. When visiting an independent specialist who is a member of the Montreal Vision Network, you can take advantage of an additional \$75 off the regular price of prescription eyeglasses (lenses with frames). Refer to the Vision section for more details.

### Pay-Direct System

With the Pay-Direct system, independent specialists who are members of the Montreal Vision Network can process your coverage directly with the insurer. You won't have to pay up front and wait for reimbursement. You'll only have to pay the portion not covered by the insurance and/or Network reduction. The claim form must be completed by the student and by the specialist.
