## Worldwide Emergency Medical Assistance

### Immediate, confidential help for any medical concern while travelling

Pacific Blue Cross (PBC), through Medi-Assist, provides assistance to members and their dependents who experience emergencies while travelling outside of their province of residence.

The Medi-Assist service does not pay your medical expenses, but it does provide the following:

- Notifies your insurer, Pacific Blue Cross, to facilitate claims payment
- Puts you in touch with qualified licensed physicians and medical services
- Connects you with qualified legal services
- Assists with lost baggage or stolen documents/money
- Arranges consular assistance and travel advice
- Assists with arrangement of repatriation of remains in the event of a death
- Helps to contact your family or business partners
- Assists with transfer of patient from one facility to another, or to return patient to province of residence

Payment of medical expenses may be delayed or refused if the member fails to contact Medi-Assist within 24 hours of the emergency.
